

Kids Kamp 2019

Dear Members,

Welcome back to Kids Kamp! I hope your campers have had a great school year and are ready to have some fun this summer with us at Kids Kamp. Every week will be filled with arts, crafts, games, activities, free time with old and new friends alike, a field trip, and plenty of time at the pool. The room has had a face lift over the winter with new paint and carpet and is ready to have new memories made in. After a long school year, let's start the summer off with being a bunch of **Beach Bums** and relaxing around the pool and creating footprints in the sand. Bring your chef hats and aprons for our popular **Cooking Class** week and explore everything from the savory to the sweet. A whole week of **Cowboys and Aliens** is needed in order to lead up to the new Toy Story movie coming out. Are you as excited as I am?! Let's light some **Fireworks and Sparkles** and celebrate our great nation during the week of the 4th of July. Everybody thinks they have the best pet, but how much do we really know about **The Secret Life of Pets?** We'll dive into everything pets this week and help animals in need around the area in various ways. Put on your thinking caps for our **STEM** week as we engineer, experiment, and build our way through the week. Wrap the summer up with a **Score!** and play all the sports you can and ones you've never thought of. You may have noticed there are less weeks than normal this summer. This shortening is due to the fact of many snow/cold days this past winter, so many schools (including the one I teach at) will be going later and camp will not be ready to go as early. Camp will also end one week earlier than normal because of very low attendance during the final week for several summers in a row. A shorter summer does not mean there will be any less fun! Your campers are sure to still have plenty of good times, memories, and adventures with familiar faces from last year and new friends from this year. As started last year, sign-up will take place online. The link can be found on both the country club's website as well as the Kids Kamp own website. Sign-up early to guarantee a t-shirt in your child's size. I look forward to seeing and hearing from all of you and your campers and providing them with a summer of fun they will never forget!

Week 1: Beach Bums

June 10-14

Oh to feel the sun on our faces after a crazy cold winter. Let's celebrate the warmth on the beach, or at least as close to a beach as we can get in Central Illinois. During this week we'll be creating footprints in the sand art, making tie flip flops/ decorating visors, and playing plenty of games with beach balls. You've heard of musical chairs, but have you ever played musical beach towels? Maybe your camper will be able to hear the ocean through their painted seashells. For our field trip we'll be heading to Shore Acres Pool in Chillicothe.

Week 2: Cooking Class

June 17-21

It's been a couple years since we've had a whole week dedicated to cooking but it's time to bring back this camp favorite! From the sweet to the savory we'll be making it all. By the end of the week you'll have a cookbook to bring home filled with favorites from the week. Who will have the best cupcake design in our Cupcake War as the end of the week? We will also be starting our own fruit and vegetable seeds so fresh produce will be on your table by the end of the summer! We'll be heading to Texas Roadhouse to see what sort of culinary techniques they can teach us.

Week 3: Cowboys and Aliens

June 24-28

These two may not seem like it goes together but Woody and Buzz got along just fine didn't they? We will have a blend of crafts and activities for both sides such as a horse shoe toss, bull lassoing, and designing their own cowboy hat to designing their own UFO, coloring what they would look like if they were an alien, and creating rockets to blast off to space to visit our alien friends. All the fun this week will lead up to our field trip of seeing Toy Story 4!

Week 4: Fireworks and Sparkles

July 1-5 (NO CAMP JULY 4&5)

Even if this will be a short week it will be full of patriotic fun to celebrate America the beautiful. We'll be cooking and eating all the red, white, and blue treats we can this week. The crafts are in the name for the week with firework rings, cupcake liner fireworks, and uniquely painted fireworks. There is no field trip this week due to the short week.

Week 5: The Secret Life of Pets

July 8-12

Everybody thinks they have the best pet but I think we can all agree that all animals are the best in their own way. But what really happens with our pets when we aren't home? We may never know, but that won't stop us from making some homemade dog toys, dog treats, and collars for our (stuffed) animals. We'll play various animal themed games such as leapfrog, lucky monkey, and sleeping lions. Throughout the week we will also be collecting items to donate to our local animal shelter. For our field trip, we'll head to Fondulac Park and learn about some farm pets.

Week 6: STEM

July 15-19

STEM: science, technology, engineering, and math. Though this may sound more like school than summer camp, I can guarantee your child will have fun while at the same time learning something new. We'll learn how to harness the power of the sun while making our own smores, make structures out of jelly beans and toothpicks, and build *all* the things with *all* LEGOS. Speaking of LEGOS, the Riverfront Museum will be having a LEGO exhibit over the summer that we will be sure to check out this week.

Week 7: Score!

July 22-26

Homerun! Touchdown! Swish! Gooooooooooooalllll! No matter the sport or what you call it when you score, we'll be chalking up all the points in a wide variety of sports this week. We'll throw around the pigskin, take the perfect corner shot, play some catch, shoot some pucks, you name it, we'll be doing it. The more days you attend, the more points you'll be able to help your team earn and work towards winning the Kids Kamp Kup. We'll switch up our sports for our field trip with something a little off the beaten track when it comes to sports and go roller skating!
