

Kids Kamp 2021

Dear Members,

Welcome back to CCP's Kids Kamp, it's time to have some fun and enjoy another summer! I hope you and your campers had a wonderful school year, despite all the difficulties, and are ready for a great summer. Let's get ready, pack your things, and come join us for another summer full of fun!

Last summer, due to COVID, we ran Kamp a little differently. Yet, in this upcoming summer we hope to do as much as we can together! As we know things are changing every day. However, we hope to be able to have full days at camp, eat lunch, and take some field trips if possible. We want to do as much as we can following health and safety guidelines along the way. Everyone in Kids Kamp, both kids and counselors must wear a mask, when we do activities outside we will be able to take them off. Please know we will be following safety and sanitary regulations as we clean our room and do activities through the summer. **We appreciate your understanding and the safety of your child is what we care most about.**

This summer we are going to create and experience many adventures together! Summer vacation is a perfect time to take a trip to the Moon and explore space during our **Spaceman** week. Then, we will make a trip to the farm for **Barnyard Buddies** week, where we will be able to learn about farms and animals and have the opportunity to visit them! Next, we will be traveling all around the world during **All Around the World** week. Pick up your passports as we learn, create, and celebrate different places around the world! Fireworks, backyard BBQ, yard games, what more could you want for a **Party in the USA** week to celebrate our great country. Then, we hope to pause our travels for a moment as we embark on **STEAM** week to use our smart brains! We will be painters, inventors, builders, scientists, and more this week. Furthermore, we hope to have our own carnival this year at the Club for **Kids Kamp Carnival** week with games, food, prizes, and fun! Back by popular demand, Kids Kamp will be having another **FIESTA** week this year as we learn about Hispanic culture, play fun games, sing to our guitars, and eat! Last but not least we will finish our summer with a great outdoor adventure for **Nature Explorers** week. We will finish off our summer grateful for the outdoors and discover it more deeply with fun games, activities, picnics, and more.

Like the previous years, our sign-up will take place online with a paper component for signatures. The link can be found on both the country club's website as well as the Kids Kamp own website. Sign-up early to guarantee a t-shirt in your child's size. I am very thankful to be able to return to Kids Kamp this summer. And I am very excited to see and hear from all of you this summer!

Sincerely,
Fabiola Garcia, Kids Kamp Director

Week 1: Spaceman Week

June 7-11

This school year has been keeping all of us busy, too busy to fly to the moon! So that's our first stop this summer. Let's take this week to explore the stars, planets, our Sun and Moon, and more! We will be eating Milky Ways and astronaut food while creating the phases of the Moon (out of oreos!) and still find time for tossing asteroids and moon rocks. We will make our very own constellations, design our own space suit and solar system. In this first week of camp, we hope to visit the Peoria Riverfront Museum and experience the night sky in the Dome Planetarium.

Week 2: Barnyard Buds

June 14-18

Come hang out on the farm with us this week and learn all about nature and barnyard animals. Each camper will be able to plant their own seed of either a flower or vegetable and take it home to watch grow the rest of summer while we watch our plants grow at Kids Kamp. We'll also learn about different barnyard animals such as horses, cows, sheep, chickens, and many more! We are making time for fun lawn games going this week as well and spend plenty of time outdoors. Finally, we will return to a Kamp favorite field trip and visit Fondulac Farm Park and enjoy a day outside with friends and animals.

Week 3: All Around the World

June 21-25

After this pandemic, we all miss traveling. So let's grab our passports because this summer we plan on making stops all over the world! We will be learning different phrases in different languages as we discover and learn about different places. We need to see art, games, food, dance, traditions from everywhere. Last but not least we will be talking about diversity and remember why we are all special and important. To finish off the week, we go watch the newest Disney Movie *Luca*, a story of a boy in Italy.

Week 4: Party in the U.S.A

June 28-July 1 (NO KAMP FRIDAY JUL 2)

We are going to take advantage of this short week to have fun and prepare to celebrate our country. We'll be cooking and eating all the red, white, and blue treats we can this week. Make time to create awesome fourth of July decorations to take home! Have some fun with learning lawn games, play sports, and more classic summer fun! We'll also find time for a major water balloon fight at the end of the week.

Week 5: STEAM

July 5-9

Our brains will be put to the test during this week. This week at camp we must show some love to science, technology, engineering, art and math! Therefore, we will become artists, scientists, and engineers. All this may sound like school stuff but we are here to have fun! And, I can guarantee your child will have fun while at the same time learning something new. We will make our own self-portraits, do lots of experiments, make our own paint, slimes, and structures. And of course, use a lot of legos. Our treat for all our hard work this week will be a party at Elevate Trampoline Park!

Week 6: Kids Kamp Carnival

July 12-16

Step right up! The best carnival has hit Kids Kamp this summer. All week we will be playing carnival games, making classic snacks, and creating fun crafts. Don't miss getting your face painted either! Our field trip this week will be onsite. We will be having our very own Kids Kamp Carnival this summer at the Club! Watch out for inflatable fun, carnival treats, games, sack races, prizes, fun booths, and more.

Week 7: Fiesta

July 19-23

¡Celebremos juntos en Kids Kamp! Let's celebrate together! I am so excited to announce that we are having a fiesta at Kids Kamp this summer. Many of our camp counselors are Mexican and we are going to take advantage of that and learn more about the Hispanic culture. We will play games like loteria or mexican bingo! We will learn different phrases in Spanish and practice! We can't have a party without some music and dancing. And, we will learn about Mexico and see the art that comes from it. This week, we will create our own ceramic art with Fired Up!

Week 8: Nature Explorers

July 26-30

To finish up our summer, let's appreciate the opportunity of being outside! Especially because of a long year inside. So, we will end our summer as we enjoy the great outdoors and play, admire, and create. When we are inside this week - we will be thinking/learning about the outdoors. We will prepare and have a picnic. We will make birdhouses, stick people, paint rocks, etc. We will make crafts using natural materials that we find. We will play games outside and enjoy the last week of camp together. Plus, how can we not have a scavenger hunt as we explore the outdoors. To wrap up our summer at kamp, we will have a local adventure at Wildlife Prairie Park.
