## COUNTRY CLUB OF PEORIA

Dear CCP Members,

Welcome back to CCP's Kids Kamp!

It is very exciting to be able to start another summer with all of you.

**I hope you and your camper(s) had a wonderful school year and are excited to spend a fun summer at the Country Club of Peoria for Kids Kamp!**

Kamp was ran differently the past two summers due to COVID but this summer we plan to do as much as we can with fewer restrictions. As we know things are changing constantly and appreciate your understanding as we navigate Kamp procedures this year. We will do as much as we can following all health and safety guidelines for everyone's wellbeing. Please know we follow safety and sanitary regulations during activities on and off property with routine cleaning of all Kids Kamp areas. The safety of your child and family is our top priority.

We look forward spending another great summer together at Kids Kamp and hope to see you this year! Our summer will begin with enjoying the great outdoors all week as **Young Explorers** while visiting a local adventure. The second week, we are excited to plan our **Sports Zone** at Kamp as we learn about sports, practice teamwork, and lots of play! Then, summer vacation is a perfect time to take a trip to the Moon, explore space, and watch the newest Disney movie *LightYear* during our **Spaceman** week. Next, we will spend the week learning about **Our Community** and discovering why being part of a community is so special. We are anticipating more summer fun for **Friends and Fireworks** week as we celebrate the 4th of July at Kamp!

The Kampers are going to get creative for **Kids Kamp Artists and Creators** week as we learn all about art, make fun projects, sing, dance, all as we become artists! Then we will have **Summer at the Farm** for a week, join us as we plan a trip to the farm and learn more about farms and animals around us. Last but not least, we are so excited to end the summer underwater for **Sea You Later** week where we will learn all about the ocean and the creatures underneath.

Our sign-up will take place online with a paper component needed for authorization signatures. The link can be found on both the country club's website underneath the Amenities and Youth tab. Please sign-up early to guarantee a spot for your camper at Kamp this summer.

I am very thankful to be able to return to Kids Kamp at CCP. We are all very excited to see and hear from you all this summer! Please reach out to me directly via email for any questions or concerns you have.

Sincerely,  
Fabiola Garcia, Kids Kamp Director

## **Week 1: Young Explorers**

June 6-10

As we start our summer, let's appreciate the opportunity to be outside! We plan to start off our summer together enjoying the great outdoors. Play, admire, and create! Time to play games outside and have scavenger hunts exploring the outdoors. For our first field trip, we are excited to go and have a local adventure at **Wildlife Prairie Park**.

When we are inside this first week, we will be thinking and learning about the world outdoors. As we spend time together, we plan to learn more about recycling and other ways we can help the environment as young environmentalists! And we can't forget about all the projects we have in store as we make birdhouses, stick people, paint rocks, etc. We will make crafts using natural materials that we find. We're also planning endless outdoor picnics this week. Come join us enjoy, play, and start camp together.

## **Week 2: Sports Zone**

June 13-17

This week's goal is all about FUN! We are planning to learn more about the sports and athletic activities we see around us daily. As we do this we will be creating and decorating our sports gear and spirit wear. We will be focusing on the importance of teamwork and being a good team mate as well. GO, TEAM! To finish off our hard work, we will have the chance to celebrate with ice cream and mini-golf at **ROC Mini Golf and Ice Cream**.

## **Week 3: Spaceman**

June 20-24

Summertime calls for serious traveling. Please join us this week as we blast off to outer space! This week is dedicated to exploring the stars, planets, our Sun and Moon, and more! We eat Milky Ways and astronaut food while creating the phases of the Moon (out of Oreos!). Perhaps we'll play asteroid toss or find moon rocks. We will create our own constellations, design spacesuits, and discover the solar system. To finish off our trip, we hope to go out to theaters and watch the newest **Disney Movie *Lightyear***, a story about our favorite spaceman.

## **Week 4: Our Community**

June 27-30 (**NO KAMP FRIDAY JUL 1**)

We all know how special it is to be part of a community. At Kids Kamp this week, we are excited to talk and learn all about community. We are going to experience what different community helpers do. I find it meaningful to help kids understand what community they belong to and learn about what we can do for others and for our community. This week we will visit our community with a local field trip to the **Caterpillar Visitors Center** after a picnic at the Riverfront.

## **Week 5: Friends and Fireworks**

July 5-8 (NO KAMP MONDAY JUL 4)

We are going to take advantage of this short week to have fun and continue to celebrate the United States. We hope cook and eat all the red, white, and blue treats we can this week. Make time to create awesome Fourth of July decorations to take home! Have some fun learning lawn games and more classic summer activities! Kids Kamp may even plan our own parade! And still, find time for a water balloon fight this week. For our weekly field trip, we will have the chance to go **Elevate!**

## **Week 6: Kids Kamp Artists and Creators**

July 11-15

This week we plan on having fun as we use our creativity! Someone said “Every child is an artist” and Kids Kamp is going to prove it. Whether we are singing, dancing, painting or drawing at Kamp we hope to enjoy all forms of art around us. All week we will learn about popular artists and art pieces throughout history. As we do this, we will create our versions of the artwork and our own original pieces. Kamper’s may even have an art fair to display their creations. As we conclude this week, instead of a field trip we will bring ceramics from **Fired Up** to paint at Kamp.

## **Week 7: Summer on the Farm**

July 18-22

Come hang out on the farm this week at Kids Kamp! We plan to learn all about farms and barnyard animals. We are going to look at different farms such as animal farms, dairy farms, and farms for crops. We have to learn about farm life as we live in the Midwest! We’ll also learn about how to be farmers and care for different barnyard animals such as horses, cows, sheep, chickens, and more! This week is going to be FUN, we will return to a Kamp favorite field trip and visit a local farm such as **Linden Hill Farms or Fondulac Farm Park** and enjoy a day outside with friends and animals.

## **Week 8: Sea You Later**

July 25-29

As always, summers must come to an end. Before that happens we will take a dive under the sea! For our last week together, we will not only swim at CCP’s pool but learn about the oceans around the world. This week is all about underwater and discovering what is underneath. Catch us hanging out with mermaids, collecting sea shells, and looking for starfish! As we wrap up the summer, we hope to swim over to **Riverfront Museum** and check out their Creatures of Light/Nature’s Bioluminescence exhibit.
