League Play

Interested in playing competitively and want to see if you can match-up play with others? Try participating in a tennis league or pickleball league. For tennis it is singles play and for pickleball it will be doubles play, so you will need to find a partner. Format of the leagues will be dependent on the number of people participating. On average you will play only one match per week unless, a participant knows they will be gone one of the weeks and wants to squeeze two matches in a week. Deadline for league sign-ups will be June 9th. To sign-up, contact the tennis courts or see Shane Smith, tennis director.
